

# Funky Funky Santa

- Large Print – Lyrics only p1

Musical Intro

(Music stop to chanted verse)

Santa is a disco fool

v1 He learned it back in Santa School  
He loves to watch those reindeer dance  
He loves to shake his Santa pants

v2 Well, the Macarena ain't his thing  
The Electric Slide don't make him sing  
You know I heard his favorite song  
Do the Funky Funka Santa all night long

c1 Put your boot to the left  
Put your boot to the right  
Shimmy down the chimney  
Shimmy all the night  
Watch that belly jiggle  
As you Ho Ho Ho  
Wave to all the children  
Everybody knows

Everybody in Atlanta do the Funky Funky Santa

v3 You'd think his beard just might get in the way  
But it's all just part of his fung shui  
Now Santa 'bout to break his neck  
At his North Pole Santa Discotech

c2 Chorus  
(Even Funky Tony Danza do the Funky Funky Santa)

v4 You know he's quite a sight to see  
He will rock and roll your Christmas Tree  
Saint Nick will be the last to leave  
When he crash your party on Christmas Eve

c3 Chorus  
(Blow the Foam right off your Fanta, do the Funky  
Funky Santa)
