Every Year for Christmas I go off to see my girl

V1

(Intro Melody)
We met in Germany on a snowy Christmas Eve
O Tannenbaum was lovely, you sang Stille Nacht with me
I said "I love you, but I can't come with you dear
Why don't we meet again next year?"

V2

In Rio, it was balmy at our Christmas Carneval
Dressed in Santa costumes, we were dancing on the wall
And as the music played, you whispered in my ear
Why don't we meet again next year?

C1

Christmas ain't the same, dear, when you're not here with me
And I'm feeling lonely underneath the mango tree
I'll remember back on Christmas past and dream what might have been
I wonder if we'll ever meet again (I hope someday we'll meet again last verse)

(Intro Melody)
We loved San Francisco in our Christmas by the bay
Mistletoe in Chinatown, the perfect holiday
Cable cars and jingle bells, you asked me by the pier
Why don't we meet again next year?
