

# Sycamore Lane

Large Print Lyrics Only p1

Intro

Intro **Four** misfits on Sycamore Lane  
**Sick** of more trouble, Sick of more pain  
**Christmas** Day is gonna be insane  
And **Sycamore** Lane will **never** be the same

V1 **Eddie's** got a big brother twice his size  
**Big** buck teeth and beady little eyes  
**Likes** to tease and he loves to fight  
**Picks** on him most every night

C1 But he got a **superman** cape in his **stocking**  
He got **red** boots under the **tree**  
He said I **been** held down for **way** too long  
And you **better** stop picking on **me**

V2 **Daymond's** got a neighbor **six** feet tall  
**Won't** pass him the **basketball**  
**Thinks** his game is **so** extreme  
It **sucks** to have a **ball** hog on your team

C2 But he got a **Wolverine** mask in his **stocking**  
He got **sharp** claws under the **tree**  
He said I **been** held down for **way** too long  
And you **better** stop picking on **me**

V3 All the **popular** girls push **her** around  
**Sally's** whole life feels **upside** down  
She **don't** fit in 'cause **everyone** knows  
She's got **messed** up hair and **worn** out clothes

C3 But she got a **Black** widow suit in her **stocking**  
She got **black** boots under the **tree**  
She said I **been** held down for **way** too long  
And you **better** stop picking on **me**

V4 **Michael's** got tough bully **up** at school  
**Sneers** his lip and he **talks** so cruel  
**Steals** his lunch and he **loves** to brag  
**Michael's** his favorite little **punching** bag

C3 But He got a **Black** Panther mask in his **stocking**  
He got **sharp** claws under the **tree**  
He said I **been** held down for **way** too long  
And you **better** stop picking on **me**

B **Four** Misfits on **Sycamore** Lane B7 (x7)  
**Sycamore** trouble **Sycamore** pain  
**Sycamore** bros with **beady** little eyes  
**Sick** of ball hogs who are **twice** their size  
**Sycamore** girls with **fancy** clothes  
**Sycamore** bulllys **boppin'** their nose  
**Sycamore** takin' it **on** the chin  
Cause what's **got** to be has **always** been

C4 You don't **tug** on Superman's **cape**  
You don't **run** on Wolverine's **trail**  
You don't go **dancing** around on **Black** Widow's web  
You don't **pull** Black Panther's **tail**

Chorus again but slower and last line very soulful
