Tickets: Several of you have taken the initiative to share Facebook posts and forward emails about the ticket link. I people will buy on line tickets at the last minute, but right now there are only 16 tickets sold. So go ahead and call a uncle Freddy and remind them to get their tickets. The ticket link is actually good for 2 days (But read the schedule site. I hope many of us can do a coordinated watch on Sunday with Q and A afterwards.)

Audience Award: Audience awards will be done via a Google form. Like in the past, only ticket holders can cast aud ballots. (All the more reason to call friends and family) The audience award requires you to vote for your favorite 3

ment this past weekend! I have watched all of the films, and there are a whole lot of great effects, transitions, and all the other film whatnot that you would expect from a crowd like Merschel Zahnd's advice when he said "Tell me a story".

Here is the latest, and please be sure to read all the way through this email and check out the web site below. Since this is our first time doing screenings on line, there are some workarounds. We also want to collect the filmmakers US Mail Address so we can get your awards to you.

I have placed all of the details on a main page for the Louisville 48 Hour Film Project: (This page link will also be sent to you who purchases an online ticket.)

Screening Sunday October 25, 2020 at 7:30 PM (or at your own schedule)

This year, with digital screenings that include a filmmaker Q and A, online balloting, ballot thumbnails, etc. we have designed an internet browser-based 48HFP experience that allows multiple browser tabs: With multiple tabs open, you can watch the welcome announcement, then go to the screening, after the movie, switch back to watch the filmmaker Q and A, then to the ballot, etc.

If you want to stay "On Schedule" for the "live event", read this schedule below. Otherwise, watch the film at your leisure any time after 7:30 PM:

7:30 PM Join Google Meeting and get oriented: (Link below)

BUY PASSES

Welcome to the Louisville 48 Hour Film Project Screening.
 Because this site (Eventive) has many more features than we are using for this screening, please follow these instructions to buy your ticket. (You might even copy and paste this text to another program so you can refer back to it)
 The "Buy Passes" does not do anything, and I don't know how to remove it.
 Click the "Tickets" Button
 On the next screen, there is an image of the Louisville 48HFP Logo.
 Click "Select a Showing"
 There is one showing that appears, but not prominently, click it.
 Click "Pre-Order Now"
 You will need to create an account with an email address to receive the ticket.
 The password worked for me with just 8 letters and did not require special characters.
 A donation is also allowed and appreciated.
 Each ticket allows one vote for the audience award.

From the "Eventive" app, buy tickets and actually watch the movie
