Please read all of this flyer, and the web link with signup details is below.

Beargrass Media will be offering an after-school video club at Greathouse Shryock for 10 weeks during the winter/spring semester. The club will teach students how to record and edit video productions using some mobile devices owned by students or the school as well as cameras, tablets, and laptops owned by Beargrass Media.

The club will run on Mondays from 3:45 to 5:00 PM, January 23 – April 10 (skipping an In-service day February 20th and Spring Break weeks). The club will meet in the library. The specific dates will be 1/23, 1/30, 2/6, 2/13, 2/27, 3/6, 3/13, 3/20, 3/27, and 4/10.

The club will be led by Patrick Fitzgerald and other Beargrass Media staff as necessary. Beargrass Media will prepare scripts and assignments, help record and edit the videos, and post the videos on the club web page listed below where they can be shared with the school or the families. The videos will range from actual news pieces about the students or the school to skits designed to teach students about video storytelling and editing.

Beargrass Media has run similar programs at several other schools, and we have provided example videos at the club web page:
