

You're Wearing the Channel!

Kids see us wearing Pepper hats and shirts and sometimes ask if they can have one. Yes, they can, and here is how!

SHIRTS

The Pepper Channel logo is on file at Dirty Tease T-Shirt shop located at 414 Baxter Avenue in Louisville. You can order one from them by contacting Asia at Dirty Tease via email (info@dirtytease.net) or calling (502) 637-4601. They can apply the logo to any blank shirt they get in their shop. We have shown 3 demos below, but pick your favorite color and have at it. The pricing is entirely up to them.

HATS

The Pepper Channel logo has been simplified to more solid colors for embroidery in these custom hats made by Queensboro. We order them in bulk, and you can order them from us for \$15 apiece. Please use the online form below to place the order, and submit payment one of 2 ways:
